- Volleyball Team Member (2011–2017) - School Level

ACHIEVEMENTS

Industry Preparation Training -
NSBM (June 2025)
Completed career focused Training
programme.

PROFILE

Undergraduate software engineering student with a keen interest in software Quality Assurance (QA). Skilled in test case design, bug tracking, and using basic QA automation tools. Eager to gain practical experience through a QA internship.

EDUCATION

BSc (Honours) in Software Engineering | Reading

NSBM Green University 2022 – To-date

Current GPA : 3.75

G.C.E. Advanced Level - 2020 [1388007]

Rathnavali Balika Vidyalaya, Gampaha

Combined Mathematics: C Physics: C ICT: C

G.C.E. Ordinary Level - 2016 [60396539]

9 A passes

ISTQB Foundation Level Certification | Reading

PROJECTS

HelaFix Mobile App QA Testing Project | [GIT HUB](#)

Independent QA project based on a group-developed mobile app

- Conducted functional and UI testing on a mobile application.
- Identified bugs and documented them in a structured bug report with severity levels and reproduction steps.
- Designed and executed manual test cases covering user registration, login, and feature navigation.
- Learned: test planning, attention to detail, bug tracking, and reporting skills.

Automated UI Testing of Demo Web Application | [GIT HUB](#)

Personal QA Project

- Developed and executed automated test scripts for login, registration, and search features using Selenium.

HelaFix Mobile App Development (Group Project) | [GIT HUB](#)

Contributed to UI implementation

- Collaborated with a team to design and develop a mobile app using Flutter.
