Rathnavali Balika Vidyalaya, Gampaha
Combined Mathematics: C Physics: C ICT: C

G.C.E. Ordinary Level - 2016 [60396539]
9 A passes

ISTQB Foundation Level Certification | Reading

PROJECTS

Review.lk

A web platform where customers post reviews on companies, and vendors can register their businesses.

- Performed functional, UI, and regression testing to ensure smooth user experience across review registration and billing modules.
- Designed and executed test cases for web site, customer panel, vendor panel and admin panel.
- Used Click up for defect reporting and tracking.
- Contributed to test documentation and participated in Agile sprint meetings.

IASSL.lk

Official website for the Institute of Applied Statistics, Sri Lanka.

- Tested navigation flow, content accuracy, and responsiveness across devices.
- Reported layout and usability issues to enhance user experience.

HelaFix Mobile App QA Testing Project | GIT HUB

Independent QA project based on a group-developed mobile app

- Conducted functional and UI testing on a mobile application.
- Identified bugs and documented them in a structured bug report with severity levels and reproduction steps.
- Designed and executed manual test cases covering user registration, login, and feature navigation.
- Learned: test planning, attention to detail, bug tracking, and reporting skills.

Automated UI Testing of Demo Web Application | GIT HUB

Personal QA Project

- Developed and executed automated test scripts for login, registration, and search features using Selenium.

HelaFix Mobile App Development (Group Project) | GIT HUB

Contributed to UI implementation

- Collaborated with a team to design and develop a mobile app using Flutter.

WORK EXPERIENCE

Software Quality Assurance Engineer Intern
Ceylonx corporation, Colombo
(6 Months)
