# THANUJI DILANKA

## QA INTERN | JUNIOR QA ENGINEER

071 733 4468 | thanuji.dilanka2000@gmail.com| Kirindiwela, Sri Lanka | LinkedIn: jptdilanka

## PROFESSIONAL SUMMARY

Final-year BSc (Hons) Software Engineering undergraduate with hands-on QA internship experience testing web applications, mobile applications, and POS systems. Experienced in manual and functional testing, test case design and execution, defect reporting, retesting, and checking applications against requirements and Figma designs. Familiar with Selenium WebDriver and Postman, with an interest in building reliable, user-focused software and developing further in software quality assurance.

## TECHNICAL SKILLS

**Testing:** Manual testing, functional testing, UI testing, regression testing, test case design and execution, defect reporting, retesting

**QA & API Tools:** Selenium WebDriver, Postman, JMeter (currently learning), ClickUp, JIRA

**Programming:** Java, JavaScript, Dart, C, C#, HTML, CSS

**Development & Design Tools:** Flutter, Git, GitHub, Figma

**Professional Skills:** Attention to detail, critical thinking, teamwork, communication

## PROFESSIONAL EXPERIENCE

**Software Quality Assurance Engineer Intern** | CeylonX Corporation, Colombo (Remote)

*September 2025 – February 2026*

- Performed manual testing of web applications, mobile applications, and point-of-sale (POS) systems.
- Designed and executed test cases to verify application functionality, user flows, and expected results.
- Reported, tracked, and retested defects using ClickUp, documenting reproduction steps and observed behaviour.
- Compared application screens and workflows with Figma designs and software requirements to identify inconsistencies.
- Participated in daily team meetings and collaborated with developers to clarify issues and verify fixes.

## RELEVANT QA PROJECTS

**Review.lk – Web Platform Testing** | Internship testing

- Tested customer, vendor, and admin panels, including review registration and billing-related workflows.
- Performed functional, UI, and regression testing; prepared test cases and tracked defects in ClickUp.
- Contributed to test documentation and participated in Agile sprint discussions.

**IASSL.lk – Website Testing** | Internship testing | https://iassl.lk/

- Checked navigation, content accuracy, responsive layouts, and usability across devices.
- Documented layout and usability issues for review.

**RX-Lite – Offline-Capable Digital Prescription System** | Final-Year Research Project | https://www.rxlite.app/

- Designing and developing a tablet-friendly digital prescription system for small clinics in the Kirindiwela clinical area.
- Developing offline-first prescription workflows with local data storage and synchronization when internet connectivity becomes available.
- Implementing role-based access for Doctor, Pharmacist, and Admin users, with prescription management and medicine inventory features.
- Integrating REST APIs and focusing on usability in low-connectivity clinical environments.

**HelaFix Mobile App – Manual QA Project** | Personal project | GitHub

- Conducted functional and UI testing on a group-developed mobile application.
- Designed and executed manual test cases for registration, login, and feature navigation.
- Documented defects with severity levels and clear reproduction steps.

**Demo Web Application – Selenium UI Automation** | Personal project | GitHub

- Developed and executed Selenium automated test scripts for login, registration, and search features.

**HelaFix Mobile App Development** | Group project | GitHub

- Contributed to UI implementation for a mobile application developed using Flutter.

## EDUCATION

**BSc (Hons) in Software Engineering** | NSBM Green University

2022 – Present | Final-year undergraduate

Current GPA: 3.69

**G.C.E. Advanced Level – 2020** | Rathnavali Balika Vidyalaya, Gampaha

Combined Mathematics: C | Physics: C | ICT: C

**G.C.E. Ordinary Level – 2016** | 9 A passes

## ADDITIONAL EXPERIENCE

**Assistant Accountant** | NODA Civimech Engineering (Pvt) Ltd, Pugoda

*November 2021 – July 2022*

## PROFESSIONAL DEVELOPMENT

- ISTQB Certified Tester Foundation Level (CTFL) – Currently studying.
- Industry Preparation Training, NSBM Green University – June 2025.

## ACTIVITIES & ACHIEVEMENTS

- Volunteer, NSBM Open Day 2023.
- Champion, All-Island Dancing Competition (Group Category), 2013 and 2014.
- School volleyball team member, 2011–2017.
